Flat No 48 D Pocket M , Sarita Vihar 110076 , New Delhi

## CAREER OBJECTIVE

Motivated software engineer with hands-on experience in building scalable web solutions. Seeking a role where I can apply my backend and frontend expertise to develop impactful applications, while continuously expanding my technical depth in a collaborative environment.

## PROFESSIONAL EXPERIENCE

### Extreme Appcoders

March 2025 - Present

#### Full Stack Software Developer

- Structured React-based UI libraries used in 15+ applications, accelerating feature delivery and maintaining uniformity across platforms.
- Configured and integrated RESTful APIs with robust state handling, resulting in a 25% improvement in response time for high-traffic services.

### RBMI Group of Institutions

November 2024 - March 2025

#### Java Full Stack Software Developer

- Delivered backend systems for student administration using Spring Boot and Hibernate, supporting 200+ users seamlessly.
- Deployed over 10 microservices and API endpoints that optimized information flow between departments and reduced manual processing delays.

### Softpro India Private Limited

October 2024 - November 2024

#### Java Developer

- Revamped existing academic tools by implementing new UI logic with Spring MVC, increasing user satisfaction scores by 18%.
- Designed scalable RESTful services supporting multi-user environments, reducing downtime during peak usage hours.

### Rasheed Foundation

April 2024 - August 2024

#### Wordpress Developer and Quality Assurance

- Built and customized two client websites using WordPress with plugin-based functionality tailored to business needs.
- Conducted functional and UI testing for 3+ deployed platforms, reporting 30+ bugs and streamlining release cycles.

## SKILLS

**Programming Languages:** Java, Python

**Web Technologies:** HTML , CSS, Javascript, Wordpress,React

**Frameworks/Tools:** Spring Boot, Hibernate, Spring MVC,NodeJS,ExpressJS

**Database:** MySQL ,MongoDB

**Cloud:** AWS

**Soft Skills:** Leadership, Team Collaboration, Critical Thinking, Multi-tasking

**Other Tools:** Microsoft Office, VS Code

## EDUCATION

**Rakshpal Bahadur College Of Engineering & Technology - Bareilly**

2021-2025

Bachelor of Technology,Computer Science & Engineering

**Bal Vidyapeeth Public School - Aonla, Bareilly**

2021

XII-CBSE(PCM)

## PROJECTS

---

### **Student-Counselor Management System (Java, Spring Boot, MySQL, Hibernate, Bootstrap)**

- Launched an automated counselor assignment system, decreasing administrative processing time for 100+ students per semester.
- Designed intuitive dashboards for different user roles to monitor leads, activities, and follow-ups effectively.

### **E-Commerce Bookstore Website (React, Node.js, Express.js, MySQL)**

- Created a bookstore web app with full authentication, live cart features, and secure checkout, completing over 100 user transactions.
- Engineered backend APIs for product management and order flow, enabling real-time updates with minimal latency.

### **Digital Visitor Management System (Spring Boot, MySQL, JavaScript, Bootstrap)**

- Replaced manual logbooks with a digital visitor authorization workflow, cutting down approval and entry time by over 60%.
- Introduced role-specific access and email notifications to streamline operations for directors, faculty, and security staff.

### **E-Commerce Medicine Store Website (React, Node.js, Express.js, MySQL)**

- Built a full-featured pharmacy site with product filtering, secure checkout, and admin control panel, managing 100+ orders securely.
- Ensured API performance and data accuracy by implementing thorough validation and error-handling across endpoints.

## ADDITIONAL INFORMATION

---

### • **Certifications**

- Full Stack Development
- Java With Springboot Framework
- AWS and React (Full-Stack Apps)

### • **Awards/Achievements**

- President of the Technical Club at RBCET
- Received an appreciation letter for outstanding contributions to academics and extracurricular activities.
- Member of Software Development Cell of Our College.

### • **Languages Known**

- English, Hindi
